

## Birse Woods

From Aboyne, drive south over the River Dee and turn left onto the B976. Drive along for about 200 metres and then turn right up a narrow lane sign-posted Balfour. Drive up this lane for about 2 miles until you go over a small bridge and immediately the road follows a left hand bend. About 30 meters after this bend, turn right onto a forest track signed Balfour, Birse Community Trust. Park about 100 metres up this track by the gate.
